

# What can you do to protect yourself from the new **coronavirus**?

---

**1 Put on a protective mask in all public spaces**

---

---

**2 Don't shake hands, hug or kiss as a greeting**

---

---

**3 Frequently wash your hands** with soap and water or use alcohol-based hand rub product

---

---

**4** When coughing and sneezing, **cover your mouth and nose** with your elbow or a tissue

---

---

**5 Avoid close contact** with anyone who has fever and cough

---

---

**6 Avoid touching** your eyes, nose, mouth

---

---

**7 Avoid travelling** to places affected by the virus

---

---

**8** If you have fever, cough and difficulty breathing, **seek medical care early**
